Sir,

Adverting to G O No L 9758-9/M1 12-42-15 dated 31st March 1943 conveying sanction to the revised estimate for Rs 5,800/- for the Block Plan Survey of the City of Mysore, I have the honour to state that all the old blocks of the City numbering 99 have been resurveyed and that out of 39 new blocks of extensions, 28 have also been completed leaving only 11 blocks, the survey of which has still to be taken up and completed The outlay incurred against the above estimate to end of June 1943 is Rs 5,348-7-0 and the balance of Rs 451-9-0 available in the estimate is enough to meet the cost of Survey Establishment for July 1943 but as the 11 blocks still to be surveyed comprise an area of 3/4 mile and the average monthly rate of progress is only about 1/4 square mile it has been found necessary to continue the establishment for at least a period of three months from 1st July 1943 so that the resurvey work of the City may be completed in all respects The matter was therefore placed before the Board at the Meeting held on 28th July 1943 and it was resolved to continue the establishment for a period of three months from 1st July 1943 vide copy of the resolution enclosed The cost of establishment will come to Rs 1,167/ as per details noted in the margin and a supplemental estimate to cover the cost will follow The cost of the estimate can be met out of opening balance of Rs 54,415/-
